### SHOWCASE OF CHINESE LACQUER WORKS ON SHOW AT GALERIE DUMONTEIL

By Zhang Kun in Shanghai | China Dally | Updated: 2018-10-05 07:57

f 💆 in 🕂

An ongoing exhibition of works by two contemporary artists at the Galerie Dumonteil in Shanghai features the 7,000-year-old craft of Chinese lacquer.

Showcasing 22 works by Shanghai-based artist Weng Jijun and French artist Vincent Cazeneuve (Wensen Qi), the Enduring Practices of Lacquer exhibition will take place at building 105 on 199 Hengshan Road till Oct 10.

The exhibition was made possible by Zheng Yuxin, the Asian manager of Galerie Dumonteil who brought the two artists together after realizing that their works embodied a respect and profound understanding of the heritage of lacquer.

People initially used lacquer as a glue to repair and protect the surface of objects. Screens decorated with lacquer only began to appear in the Han Dynasty (206 BC-AD 220) before becoming commonplace later.

As a contemporary Chinese artist, Weng chose lacquer as his medium of expression, mastering sophisticated lacquer-making techniques such as bodiless lacquer and panel mounting. Standing in front of one of his paintings, Weng explained how he had applied lacquer dozens of times on a piece,

chose lacquer as his medium of expression, mastering sophisticated lacquer-making techniques such as bodiless lacquer and panel mounting. Standing in front of one of his paintings, Weng explained how he had applied lacquer dozens of times on a piece, polished part of the surface and adding gold or silver foil to some cracks.

"This is my understanding of the Chinese mountain and river art," he said. "My working process is most primitive, but I have to express myself as a contemporary artist. I believe that is more important to the inheritance of cultural heritage than just copying ancient techniques."

For the 41-year-old French artist, his passion for the craft of lacquer was so great that he changed his last name to Qi, the Chinese word for lacquer.

his instructors using hand gestures. Despite the difficulties faced, his passion for the craft grew and he eventually mastered a wide variety of techniques.

在这个展览里,探寻7000岁漆艺奥秘,聆听中法艺术家的"漆语"

来源: 新民晚报 作者: 肖茜颖 ( 2018-09-03 17:14

中国艺术家如何以当代语汇致敬传统漆艺? 法国设计师追寻的漆艺又是怎样的? 近日, 翁纪军和文森·漆 (Vincent Cazeneuve) 联袂带来的"髹 (xiū) 行"漆艺作品展在衡山路 199号105栋杜梦堂启幕。东西方思维最终在40余件简约的漆画中碰撞、共鸣。

#### 创新中遇未来"继承不是复制"

图说: 翁纪军的作品 官方图

中国传统的漆画以天然大漆为主要材料,并结合金、银、铅、锡、蛋壳、贝壳、石片、木片等。来自法国图卢兹的设计师文森·漆将抹布、米袋、芝麻等寻常之物放进了漆画创作中。不同类型的材料赋予这些画作结构和时间的双重维度,产生熟悉与陌生的观感。

在《无题》系列作品中,观众可以读出他十年来的生活轨迹。为了习得精湛的技艺,他 从法国来到四川拜师学艺,师从吕树强、邹小屏。文森一度住在深山里,出行非常不 便,由此被迫就地取材。"工作室里有很多废料:铁锈、灰、土等,都是很好的实验材 料。它们没有等级之分,就像自然界每件材料都有各自的归属。"为了使不同的材料能 够融合,文森耐心地等待、思索。他的漆画和他的人生都是一次冒险,"非常值得,漆 艺是我的命"。(新民晚报记者 肖茜颖)

### 跨越国界 漆艺家双个展"髹行"亮相上海杜 梦堂

用品艺术网专册 2018.09.05

艺术家翁纪军在现场导览

2018年9月1日,翁纪军和文森·漆的双个展"縣行"于上海杜梦堂正式开幕,本次展览集中展出了艺术家近期的漆画创作,以及他们在当代语境中对传统漆艺形式的探索与思考。

文森·漆: 以中国为师, 以材料为画

文森·漆

文森·漆(原名Vincent Cazeneuve, 1977年出生于图卢兹地区,法国)一直对漆艺非常着迷,从家具艺术之都利维尔的工艺艺术学院(École des Métiers d'Art)毕业后,他开设了自己的工作室,专注于西方和亚洲的漆器修复工作。为了能够进一步掌握漆画技艺,文森于2009年移居拥有丰富漆树资源的山城重庆,跟随着中国传统漆艺大师,在日积月累的学习中逐渐领悟了漆画艺术的精髓,并对其背后悠

以漆漆物,谓"髹"(xiū),它既是从中国古代传承下来的工艺,也是历代漆艺学习者身心的修行之旅。人类在7000多年前的新石器时代就已开始使用漆器,而漆画在中国也有长达2000多年的历史。用传统大漆作画非常耗时,工序琐碎而复杂,需要极大的耐心和专注力。对于创作者的付出,大漆以其持久性作为回报,好的漆画作品可以历经几个世纪,依然保有原先的色彩,且光亮如新。可以说,"髹行"之道只向那些最执着、最愿意为其付出的灵魂敞开,而此次展览的两位艺术家都在此列。

### Media: Artsy

杜梦堂荣幸呈现"髹行"——中国艺术家翁纪军和法国艺术家文森·漆的双个展,集中展出艺术家近期的漆画创作,以及他们在当代语境中对传统漆艺形式的探索与思考。

通过两位中外艺术家的作品以及他们对漆艺的传承,杜梦堂邀请观众共同为漆画注入新的活力,并重新审视和思考中国当代艺术的根基和发展方向的多元性。不同于那些仅仅将大漆作为创作媒介的当代艺术家,翁纪军和文森·漆通过自己大量的研究和不懈的创作,锲而不舍地从"髹行"中寻找坚持当代传统的可行性。正如他们所深爱和尊重的漆艺,他们用才华、韧劲和耐心所创作的作品可以经受时间的考验和艺术史的评价。
